

Energetic Lighting's E3-FMAS series of LED square flushmount fixtures are designed to emulate the look and feel of traditional circline fluorescent tube flushmount fixtures, but operate at a significantly lower wattage. A CCT selection switch allows the installer to switch between 3000K, 4000K, or 5000K color temperatures. Fixtures are available in multiple diameter options in a square profile, making the choice easy for any type of application. Installation is quick and simple when mounting into standard ceiling junction boxes, and may be installed on circuits with standard wall dimmers. Constructed with a durable steel housing body and LED lifetime rating of at least 50,000 hours, this rugged flushmount is designed for many years of reliable operation.

Features

- Tool-less diffuser attachment
- Minimalistic and efficient design
- Mercury-free construction
- Suitable for Damp Location use
- Easy and secure installation
- TRIAC Dimmable to 10% output

Applications

- Multi-family and Apartments
- Overhead & Hallway lighting
- Ambient room lighting
- General lighting

Specification

Order Number	40033
Model Number	E3XFMAS32D-803050
Configuration	19" square
Beam Angle	110°
Lumen Output	2580 LM
Luminous Efficacy	80 LM/W
Input Power	32 W
Input Voltage	120 Vac
Power Factor	0.99
THD	<0.2
Color Temp (CCT)	3000K, 4000K, 5000K Select K
Color Rend (CRI)	86
Lifetime Rating	50000 hours
Warranty	10 Years
Dimmability	Triac dimmable
Operating Temp	-4 to 104 (Å°F)
Environment	Damp Location
Energy Star	Energy Star
Safety Cert	UL
Weight	4.5 LBS
Dimensions	19x19x3.9 (in)
